Prior to the occurrence of certain events, the Rights will not be exercisable or evidenced separately from the Registrant's Common Stock and have no value except as reflected in the market price of the shares to which they are attached.
- (2) This Registration Statement registers the offer and sale of an aggregate of (a) 600,000 shares of the Registrant's Common Stock that are issuable under the Dynavax Technologies Corporation Amended and Restated 2014 Employee Stock Purchase Plan ("2014 ESPP"), and (b) 12,617,869 shares of the Registrant's Common Stock that are or that may become issuable under the Dynavax Technologies Corporation 2018 Equity Incentive Plan (the "2018 Plan"), which such number of shares of Common Stock is comprised of the sum of (i) 5,000,000 newly reserved shares of Common Stock, (ii) 140,250 unallocated shares of Common Stock remaining available for the grant of new awards under the Dynavax Technologies Corporation 2011 Equity Incentive Plan (the "2011 Plan") as of May 31, 2018, and (iii) 7,477,619 shares of Common Stock subject to outstanding awards granted under the 2011 Plan and under the Dynavax Technologies Corporation 2017 Inducement Award Plan (the "2017 Plan" and together with the 2011 Plan, the "Prior Plans") that may become available for grant under the Prior Plans as such shares become available from time to time as set forth in the Prior Plans. For more details, see the Explanatory Note following this cover page.
- (3) Pursuant to Rule 416 promulgated under the Securities Act of 1933, as amended (the "Securities Act"), this Registration Statement shall also cover any additional shares of Common Stock that become issuable under the 2018 Plan or under the 2014 ESPP by reason of any stock dividend, stock split, recapitalization or other similar transaction effected without receipt of consideration that increases the number of outstanding shares of Common Stock.

EXPLANATORY NOTE

This Registration Statement on Form S-8 is being filed for the purpose of registering an additional (a) 600,000 shares of the Registrant's Common Stock reserved for issuance under the 2014 ESPP, and (b) 12,617,869 shares of the Registrant's Common Stock reserved for issuance under the Dynavax Technologies Corporation 2018 Equity Incentive Plan (the "2018 Plan"), as further detailed below.

On May 31, 2018 (the "Effective Date"), at the 2018 Annual Meeting of Stockholders of Dynavax Technologies Corporation, a Delaware corporation (the "Company"), the Company's stockholders approved the 2018 Plan. The 2018 Plan provides, among other things, that the number of shares of the Company's common stock, \$0.001 par value per share ("Common Stock"), reserved for issuance under the 2018 Plan (subject to adjustment for certain changes in the Company's capitalization) is equal to the sum of (i) 5,000,000 newly reserved shares of Common Stock, (ii) 140,250 unallocated shares of Common Stock remaining available for the grant of new awards under the Dynavax Technologies Corporation 2011 Equity Incentive Plan (the "2011 Plan") as of May 31, 2018, and (iii) 7,477,619 shares of Common Stock subject to outstanding awards granted under the 2011 Plan and under the Dynavax Technologies Corporation 2017 Inducement Award Plan (the "2017 Plan" and together with the 2011 Plan, the "Prior Plans") that may become available for grant under the Prior Plans as such shares become available from time to time (such shares, the "Prior Plans' Returning Shares"). Such Prior Plans' Returning Shares become available for issuance under the 2018 Plan if outstanding stock awards granted under the Prior Plans, from and after the Effective Date, (i) expire or terminate for any reason prior to exercise or settlement, (ii) are forfeited, cancelled or otherwise returned to the Company because of the failure to meet a contingency or condition required for the vesting of such shares, or (iii) other than with respect to outstanding stock options and stock appreciation rights granted under the Prior Plans with an exercise or strike price of at least 100% of the fair market value of the underlying Common Stock on the date of grant, are reacquired or withheld (or not issued) by the Company to satisfy a tax withholding obligation in connection with a stock award.

Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel

Not applicable.

Item 6. Indemnification of Directors and Officers

As permitted by Delaware law, the Registrant's restated certificate of incorporation provides that no director will be personally liable to the Registrant or the Registrant's stockholders for monetary damages for breach of fiduciary duty as a director, except for liability:

- for any breach of the duty of loyalty to the Registrant or the Registrant's stockholders;
- for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law;
- for unlawful payment of dividends or unlawful stock repurchases or redemptions under Section 174 of the Delaware General Corporation Law; and
- for any transaction from which the director derived an improper personal benefit.

The Registrant's restated certificate of incorporation further provides that the Registrant must indemnify the Registrant's directors to the fullest extent permitted by Delaware law. In addition, the Registrant's amended and restated bylaws provide that:

- the Registrant is required to indemnify the Registrant's directors to the fullest extent not prohibited by Delaware law, subject to limited exceptions;
- the Registrant may indemnify the Registrant's officers, employees and agents as set forth in the Delaware General Corporation Law;
- the Registrant is required to advance expenses to the Registrant's directors as incurred in connection with legal proceedings against them for which they may be indemnified, against an undertaking by the indemnified party to repay such advances if it is ultimately determined that the indemnified party is not entitled to indemnification; and
- the rights conferred in the amended and restated bylaws are not exclusive.

The Registrant has entered into indemnification agreements with each of the Registrant's directors and executive officers that require the Registrant to indemnify these persons against expenses, witness fees, damages, judgments, fines and settlement amounts incurred by the director or officer in any action or proceeding, whether actual, pending or threatened, subject to certain limitations, to which any of these people may be made a party by reason of the fact that he or she is or was a director or an executive officer of the Registrant or is or was serving or at any time serves at the request of the Registrant as a director, officer, employee or other agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise.

Item 9. Undertakings

1. The undersigned Registrant hereby undertakes:

- (a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
- (i) To include any prospectus required by section 10(a)(3) of the Securities Act;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (a)(i) and (a)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

- (b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
 - (c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
2. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
 3. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, as amended, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Berkeley, State of California, on this 8th day of June 2018.

Dynavax Technologies Corporation

Berkeley, CA 94710

Ladies and Gentlemen:

We have acted as counsel to Dynavax Technologies Corporation, a Delaware corporation (the “**Company**”) in connection with the filing of a Registration Statement on Form S-8 (the “**Registration Statement**”) with the U.S. Securities and Exchange Commission covering the offering of an aggregate of 13,217,869 shares of the Company’s Common Stock, par value \$0.001 per share (the “**Shares**”), including (a) 600,000 Shares that are issuable pursuant to the Company’s Amended and Restated 2014 Employee Stock Purchase Plan (“**2014 ESPP**”), (b) 12,617,869 Shares that are or that may become issuable pursuant to the Company’s 2018 Equity Incentive Plan (the “**2018 EIP**”) and (c) the preferred stock purchase rights (the “**Rights**”) associated with the Shares pursuant to that certain Rights Agreement (the “**Rights Agreement**”), dated November 5, 2008, between the Company and Mellon Investor Services LLC, as Rights Agent (the “**Rights Agent**”).

In connection with this opinion, we have examined and relied upon (a) the Registration Statement and related prospectus, (b) the 2018 EIP, (c) the 2014 ESPP and (d) the Rights Agreement, the Company’s Sixth Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws, each as currently in effect and (d) the originals or copies certified to our satisfaction of such other records, documents, certificates, memoranda and other instruments as in our judgment are necessary or appropriate to enable us to render the opinion expressed below. We have assumed the genuineness and authenticity of all documents submitted to us as originals, and the conformity to originals of all documents submitted to us as copies thereof. As to certain factual matters, we have relied upon a certificate of an officer of the Company and have not sought independently to verify such matters.

We have also assumed that the Rights Agreement has been duly authorized, executed and delivered by the Rights Agent and that the members of the Board of Directors of the Company have acted in a manner consistent with their fiduciary duties as required under applicable law in adopting the Rights Agreement. This opinion does not address whether the Board of Directors of the Company may be required to redeem or terminate, or take other action with respect to, the Rights in the future based on the facts and circumstances then existing. Moreover, this opinion addresses corporate procedures in connection with the issuance of the Rights associated with the Shares, and not any particular provision of the Rights or the Rights Agreement. It should be understood that it is not settled whether the invalidity of any particular provision of a rights agreement or purchase rights issued thereunder would invalidate such rights in their entirety.

Our opinion is expressed only with respect to the General Corporation Law of the State of Delaware. We express no opinion to the extent that any other laws are applicable to the subject matter hereof and express no opinion and provide no assurance as to compliance with any federal or state securities law, rule or regulation.
